

July 2010

Dear Choir Director,

Last season, over 400 choir members from across Arizona took part in the Inaugural D-backs Choir Night at Chase Field. In collaboration with the Arizona Chapter of the American Choral Directors Association, we are excited to announce that we will once again offer this once-in-a-lifetime performance opportunity to you on Saturday, September 25, 2010.

The purpose of the event is to support and promote the importance of music in Arizona schools by bringing choirs together from across the state to perform in front of thousands of D-backs fans.

Each participating choir has the opportunity to raise funds by selling additional tickets to family members and friends. Choirs will have access to the hassle-free D-backs Ticket Dugout to sell additional tickets on-line and make up to \$10.00 per ticket sold.
